Whereas it is reported that Hosakere—Doddakere in Madhugiri Taluk has received inadequate supply of water and whereas it is found necessary to regulate the supply of water to the atchkat lands of the said tank and to determine the portion of wet lands to be cultivated with summer paddy, I, V. Venugopal Naidu, B.Sc. (Hons.), Sub-Division Officer and Irrigation Officer, in exercise of the powers vested in me under section 16 of the Mysore Irrigation Act, do hereby direct that owners of only the following S. The list of S. Nos. and their extent which will receive tank water will be available in the Taluk Office with the concerned Revenue Inspectors, and Village Officers, and in the Village Chavadi for the information of the concerned Atchkatdars.

V. VENUGOPAL NAIDU,

OFFICE OF THE ASSISTANT COMMISSIONER AND IRRIGATION OFFICER, TIPTUR SUB-DIVISION, TIPTUR.

Notification dated 7th February 1951.

No. A.C. 416—50-51. Whereas it is ascertained that some quantity of water will be available in Mayasandra tank in Turuvekere Taluk even after the present crops on the atchkat of the said tank are harvested and whereas it is feared that the quantity of water that may be left over will not be sufficient to raise summer paddy or summer ragi on the entire atchkat and as it is not feasible at present to correctly restrict the atchkat under the tank as the exact quantity of water that will be available after the present crops are harvested has yet to be determined after making allowances for the existing crops under the atchkat and as it is likely to take some more time to determine this extent, whereas it is necessary to prevent indiscriminate cultivation of lands under the atchkat during this summer pending determination of lands that could be allowed water for cultivation during this summer of 1951 with a view to prevent failure of crops under the atchkat later on, I, Sri A. R. Adinarayanaiah, B.Sc., Assistant Commissioner and Irrigation Officer, Tiptur Sub-Division, in exercise of the powers vested in me under Section 16 (1) of the Mysore Irrigation Act, 1932 do hereby direct the atchkatdars under the said tank not to prepare the lands under the said tank for growing summer paddy or summer ragi pending issue of further orders from this office in consultation with the Public Works Department.

Whosoever contravenes this Order will be liable for punishment under the said Act to a fine up to Rs. 100 for each offence.
